

Frizzz...

Frizzz... is a Frizzante made from fruity Sauvignon Blanc grapes. A very cautious and gentle fermentation produces this light and tingly sparkling wine. With our Frizzz... we pay much attention to a full bodied fruitiness and a noble bouquet. Together with its palatable acidity the wine convinces connoisseurs easily. When compared to champagne it stands out with its lighter appearance and lower alcohol content which invites you to enjoy another glass.

Tasting notes

The Frizzz... shows lots of fine flavours in the glass. Its bouquet persists on the palate and reminds one of tropical fruits. The taste offers an unobtrusive sweetness and a nice tingly drinking experience.

Food suggestion

Frizzz... is the perfect drink for a formal reception, as an aperitif or at any contemplative moment. It is also just right for making a fruity wine cooler.

Ageing potential

Best to drink chilled and within one year after bottling.
